

What can Responsible Research Innovation offer Smart Specialisation Strategies in their reorientation towards sustainability?

- This workshop will take stock of some experiences related to promoting Responsible Research and Innovation (RRI) to Smart Specialisation Strategies (S3) in their reorientation towards sustainability, and will address how RRI can be better integrated into regional innovation and development policies. This is a side event of the European Week of Regions and Cities.

Host: TetRRIS

Location: Rue Montoyer 24, 1000 Brussels and online

Time: 9:00 – 10:30am
